Verse 2

God of Your promise

You don't speak in vain

No syllable empty or void

For once You have spoken

All nature and science

Follow the sound of Your voice

Chorus 2

And as You speak

A hundred billion creatures catch Your breath

Evolving in pursuit of what You said

If it all reveals Your nature so will I

I can see Your heart in everything You say

Every painted sky a canvas of Your grace

If creation still obeys You so will I

Bridge

G

Bm A

If the stars were made to worship so will I

If the mountains bow in reverence so will I

If the oceans roar Your greatness so will I

For if everything exists to lift You high so will I

Bridge 2

If the wind goes where You send it so will I

If the rocks cry out in silence so will I

If the sum of all our praises still falls shy

Then we'll sing again a hundred billion times

So Will I (100 Billion X) – Hillsong United

Verse 3

God of salvation
You chased down my heart
Through all of my failure and pride
On a hill You created
The light of the world
Abandoned in darkness to die

Chorus 3

And as You speak
A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender so will I
I can see Your heart eight billion different ways
Every precious one a child You died to save
If You gave Your life to love then so will I
